Dear Parents/Carers,

Covid-19 Update – School Closure (Thursday 19th November)

I regret to inform you that, in consultation with Public Health England, the decision has been made to close the school tomorrow (Thursday 19th November 2020) due to a further positive case within the school. I would like to stress, however, that this decision has been reached as a precaution until we receive further guidance and not because of a widespread outbreak.

Furthermore, this decision has not been taken lightly but the Health and Safety of our pupils and staff is always of paramount importance.

As I construct this letter, we are still in consultation with Public Health England and I will provide an update tomorrow as soon as I am able to provide further, clear information.

With regards to your child's learning, we will be sending out a letter in the morning with details of 'remote learning'.

Finally, I would like to reassure the whole school community that we continue to follow Government guidance in terms of social distancing, handwashing and cleanliness to minimise the spread of the virus.

Thank you,

Mr Glenn Moore
