Flu Immunisation Update

Dear Parent/Carer,

Please see the message below from the School Age Immunisation Team:

The E Consent programme for your school is now closed, but will reopen the day after the immunisation session.

Any parent/carer who still wishes to consent for the Nasal Flu vaccination programme will be able to do so then. Please ensure that you have the school code from the original email to add to the school field on the form.

Once you have completed an E-consent form for your child you will receive a confirmation email with a link to make an appointment at one of our community clinics as we will not be returning to your child's school.

Kind regards,

Abbotswood Junior School
