5th October 2022

Free School Meals

Dear Parents & Guardians,

A quick reminder: If your circumstances have changed, it may be worth checking if you qualify for **Free School Meals**.

A child is eligible for free school meals if their parent or carer receives certain benefits.

Even if your child prefers to have a packed lunch, being eligible means that the school receives additional funding.

It's really easy to check, you just need to know your National Insurance number and a few other personal details. You can check whether you are eligible here:

<https://www.hants.gov.uk/educationandlearning/freeschoolmeals/juniorsecondary>

Rest assured that if your child already qualifies for **Free School Meals**, your child's eligibility will last until the end of their current school phase (until they leave Abbotswood).

Thank you,

Abbotswood Junior School
