'It Really Does Matter'

22nd September 2022

Home Learning

Dear Parents and Carers,

As home learning starts next week, we felt it might be useful to send you a summary of the expectations for home learning for your child so they reinforce and consolidate key skills of reading, spelling and learning the multiplication tables. The children are praised and rewarded for their efforts in home learning.

Lower School (Years 3 and 4):

Space Race (compulsory) 3 reads a week

Spelling shed (voluntary)

Times Table Rock Stars (TTRS) 5 games a week (compulsory)

Upper School (Years 5 and 6):

Space Race (compulsory) 3 reads a week

Spelling shed (compulsory) 5 games a week

Times Table Rock Stars (TTRS) 5 games a week (compulsory)

The children will have been given their log in details by next week but please talk to their class teacher if there are any problems. If your child does not have access to a device, please speak to their teacher who can arrange for them to access TTRS and Spelling Shed in school. Thank you.

Yours sincerely,

Abbotswood Junior School

Spelling Shed
