Dear Parents and Carers,

## Rotary Honeypot House Appeal

This year, our local Rotary Group is running an appeal for Honeypot House which provides support to children and young people who are Young Carers. Rather than sending Christmas shoeboxes, this year they are asking for small 'treasures' they can put into memory bags for Young Carers:

Thank you for helping Honeypot build brighter futures and create happy childhood memories for young carers age 5-12 by donating rewards and prizes.

We fill their memory bags with small toys and treats to take home after a Honeypot respite break to help them smile when they are working hard to care for someone they love.

### Small Toys/gifts

*Yes please:* Small games/cards, small lego sets, small toys, slime, kinetic sand, nice keyrings, small soft toys; packs of sweets, hair accessories/slides.

*No thank you:* McDonalds toys, loose figures, used toys, large soft toys, individual sweets, toiletries, toothbrushes, shower gel, stationery, books.

Thank  
You

We will be asking the School Councils to collect any treasures sent in by families in each class.

If you are able to support this appeal, I would be grateful if you could send any small treasures into school by Monday 6th December so they can be passed onto the Rotary Club.

Thank you.
