'It Really Does Matter'

16th May 2022

Dear Parents,

Year 6 Market Place

Year 6 will be taking part in Enterprise Week next week, where they will be deciding on a product or service they could sell at the Market Place event on **Friday 20th May**. They have been given a budget from the Year 6 team and are creating different products or services with the budget. They would like to invite the Year 5 children to come and visit the market. The children can bring in no more than **£5.00** to spend if they wish.

As part of Enterprise Week, the children have the choice as to what product or services they wish to sell. Some of the ideas may involve food products (no nuts). If you do not want your child to partake in the Market Place event, please let your child's class teacher know.

We know this will be great fun and the children are very much looking forward to it.

Thank you for your ongoing support.

Yours sincerely,

Sophie Vigar
