Let's keep

kids safe online

The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

**Date: Monday 28th November 2022
Time: 7-8pm
Location: Zoom - register through the school to receive login details.**
