Year 5 Recommended Reads

Dear Parents,

I hope you are well and your children are enjoying their experiences so far in Year 5. The Year 5 team have been incredibly impressed with the attitudes shown and learning behaviors displayed by the children and are excited for the rest of the year with their classes.

Book Bingo has been a successful initiative run in Abbotswood in recent years and has given children an opportunity to read a wide range of books and complete exciting activities linked to these. Unfortunately, we are unable to receive work from home at the moment and are therefore postponing the beginning of Book Bingo. However, we understand the importance of reading and strongly recommend reading with your children daily.

I have attached the *recommended reading lists* for Year 5. This is the list of books which we would have been recommending to read if we had have been completing the Book Bingo challenge. You will find a range of these books at your local library or on our new e-Library platform. *Please note: not all of our recommended reads can be found on the e-Library platform.* If your child finds reading difficult, please speak to your child's class teacher who can direct you to reads that are more suitable.

I hope that in the near future we will begin our Book Bingo challenges and create a sense of excitement with reading again.

'Between the pages of a book is a wonderful place to be'

Yours sincerely,

Michelle Dunning
Year 5 Year Leader
