SATs and MTC Results

Dear Parents,

This year saw the return of the Year 6 SATs in primary schools for the first time since 2019. At the end of what is the children's first full year back in school, we are very proud of their efforts.

Although we strongly believe that education is far more than a score in a test, we are justifiably proud of their efforts.

Below is a summary table of our results measured against all other children nationally. As you can see, our results compare favourably - well done Year 6!

2022 SATs Results	Abbotswood	National	Difference
Reading	84.4%	74%	+10.4%
Writing	74.1%	69%	+5.1%
Maths	76.4%	71%	+5.4%
Grammar, Punctuation & Spelling	81.0%	72%	+9%
Reading, Writing & Maths combined	65.3%	59%	+6.3%

This summer also saw the inaugural Multiplication Tables Check in Year 4. Our results are below:

2022 Year 4 MTC	National Result	Abbotswood
Average score (out of 25)	<i>National Data not yet published</i>	20
Pupils Scoring (20-25 marks)	<i>National Data not yet published</i>	67%

Finally, at Abbotswood we pride ourselves on the broad and balanced curriculum we provide. Our aim is to provide as many opportunities for the children as we can. However, we also recognise the importance of Maths and English. So, these results are particularly pleasing.

I would like to finish with one of my favourite quotes:

"Talent is everywhere but opportunity is not."

At Abbotswood, we feel it is our purpose to address this inequality. Thank you.

Yours sincerely,

Mr Glenn Moore
Headteacher
