3rd May 2022

## SATs Breakfast

Dear Parents/Carers,

The Year 6 team are incredibly proud of how hard the children have been working in the build up to SATS which takes place next week (week beginning 9<sup>th</sup> May). In order to give them the best start to each test day (Monday-Thursday), we will be offering a croissant and juice for every child in Year 6 each day. Therefore, at 8:40 each day of a test, Mrs Moore, Ms Brocklesby and Mrs Vigar will open the doors to the sports hall and the Year 6 children can come and sit down with their friends and eat their breakfast.

We would recommend that you still give your child breakfast at the normal time, as this will act as a 'top-up' for the test! When your child has finished, they can make their way to their classroom as normal.

## SATs Week – Monday 9th – 12th May

<b>Monday</b>	Grammar Test	Spelling Test
<b>Tuesday</b>	Reading Test	
<b>Wednesday</b>	Arithmetic Test	Reasoning Test 1
<b>Thursday</b>	Reasoning Test 2	

Yours sincerely,

Mrs Vigar.
