## **Songwriting Club**

Dear Parents/Carers,

We have had a brilliant 8 weeks of Songwriting Club and the children have all written some amazing songs already. We have some exciting things planned which I wanted to let you know about.

Firstly, Abbotswood will be having a Winter Snowcase Concert on Monday 22nd January at 2pm. As part of the concert, three songs will be chosen to be performed as part of the concert. These songs can either be performed by the children who wrote them or by other members of songwriting club.

On the last Songwriting club of this term, there will be an informal concert in the music room on Tuesday 5th December at 3.30. This will be an opportunity for you to hear the amazing songs that your child has written.

Finally, I received a very exciting email last week about a national competition called The School Song. Schools will write and produce their own songs as part of the competition. The top ten songs will make it through to a live final in front of a 'celebrity panel,' although I'm not expecting Taylor Swift or Ed Sheeran to be there! The winners will have the opportunity to record their song in a London-based recording studio and the song will be released. I will have more details for you in a couple of months. It would be amazing for the Songwriting Club to create a song to represent Abbotswood Junior School. This would be a collaborative effort so all children would be working together to create a song. Work towards this won't start until January so to be involved, your child will have to sign up for Song Writing Club in January 2024. Thank you.

Yours sincerely,

Kat Button  
Songwriting Club
