

2019-2020

Sports Premium at Abbotswood:

At Abbotswood, PE and sport is very important to us. We aim to develop self-respect, confidence, teamwork and sporting competence in every individual.

Sports Premium Funding at Abbotswood Junior School:

For the academic year 2019/20, Abbotswood Junior School will receive £21,949. This allocation of funding will be spent in the following ways:

- Employing our own, internal, sports coaches (2 FTE, 1 PTE)
- Funding additional clubs
- Transporting teams to matches/competitions
- Professional development courses for sports coaches
- Membership of the New Forest School Sports Partnership

The Impact of Sports Premium:

Our Primary School Sports Funding will enable us to continue and extend our provision through employing three specialist sports teachers with continuing professional development for staff.

1. Impact of the Sports Premium on the PE Curriculum we offer:
Due to the school's full-time sports coaches, Abbotswood pupils in Years 3-6 receive a minimum of 2-hours of PE and sport per week. This exceeds the National Curriculum's expectations. The employment of the coaches with a passion for sport, ensures a consistent and specialist delivery of the PE curriculum throughout the school year.
2. The PE Curriculum offered at Abbotswood School has been awarded the School Games Kitemark Gold Accreditation every year since 2014.

Impact of Sports Premium on Extra-Curricular

The Sports coaches, assisted by a variety of teachers, deliver a huge number of **free**, extra-curricular clubs. These are listed below:

- Break Time 'Drop-in' sessions – for children to practise for upcoming competitions and events.
- Lunch Time – We run lunchtime clubs and the sport varies each term: basketball, futsal, netball and cricket.

After School Clubs – We provide a huge variety of sports at Abbotswood - all sports are provided for both boys and girls. Timetable for the clubs changes termly. Below are all the sports we currently provide:

Other benefits of Sports Premium to the school:

- We have 64 children who applied to become sports leaders. These children help with coaching younger pupils at clubs, setting up PE/OSA lessons and running sports days.
- Abbotswood's 'sporting reputation' can be seen to attract KS1 (and older) pupils towards the school.
- The Sports coaches are seen as positive role models to the pupils, especially the PP pupils, who are directly targeted for extra attention and support.
- Our sports coaches are often used to aid behaviour management in the school as some children are given reward time with them.
- Teachers are given additional PPA time as a result of having two sports coaches. This gives the teachers extra time to prepare lessons.
- Our Sports Coaches currently teach at a neighbouring infant school every Friday, meaning their expertise is benefitting the local Totton community.
