Wednesday 30th March

Year 4 Parent Outcome

Dear Parents and Carers,

This half term, Year 4 have been exploring the impact of the Titanic tragedy on Southampton. The children have been working hard to write newspaper reports that explore the imagery and emotions surrounding the sinking. They have researched key passengers who were aboard the ship in Computing and have learnt about the events surrounding the disaster in History. Next week, they will be using the knowledge they have obtained in Science to construct a working ship's lantern.

The children would like to invite parents and carers in to view their work on Friday 8th April at 2.30pm. Please enter the school via the main reception where you will be pointed in the direction of your child's learning outcome. The outcomes will last approximately 30 minutes. At the end of the outcomes, please exit the school via reception and meet your child on the Year 4 playground. Unfortunately, it will not be possible to park in the school's car park.

We look forward to seeing you there!

Yours sincerely,

Mr E Humphries
Lower School Leader – Years 3 and 4.
