## Year 4 Times Table Check

Dear Parents and Carers,

In the week beginning Monday 13<sup>th</sup> June, your child, along with Year 4 children from across the country, will sit an online times table check. The check will feature 25 questions and the children will have 6 seconds to answer each question.

### **We need your help.**

So that the children feel as confident as possible when taking this test, please ensure they are playing **at least** 5 games on Times Tables Rock Stars for their weekly homework. TTRS presents the children with questions in a very similar way to how they will see them in the times table check and therefore it is a brilliant way of getting them ready.

Mr E Humphries  
Lower School Leader – Years 3 and 4.
