RE: Year 4 MTC check

Dear Parents/Carers of Year 4,

All Year 4 children across the country participate in the Multiplication Tables Check (MTC) in June. The aim of the MTC is to see whether your child knows their times tables up to 12 which is seen as essential for future success in Mathematics.

Our children are practising their times tables regularly and it is hoped that they will also use Times Table Rockstars (TTRS) at home to improve their times table knowledge.

I attach an information leaflet for parents which provides all the relevant information.

If you require any further information, please feel free to contact your child's class teacher or Mr McCoy the Year 4 Leader. Thank you.

Yours sincerely,

Mr Glenn Moore
Headteacher
