## Year 6 SATs Information Evening

Dear Parents/Carers,

We would like to invite all Year 6 parents to a SATs information meeting on Wednesday 1<sup>st</sup> March 2023. There are two times available for you to attend at either:

**3.30pm – 4.30pm**    or    **5.00pm – 6.00pm**

Please complete the google form to indicate which time slot you will be attending:

<https://forms.gle/iYad1wAeAXEhisbc6>

Please note that this Information Evening is aimed at adults so we would recommend that your children do not attend unless you have no other option.

This is a really useful meeting as we hope to be able to give you a few tips about how you can help to prepare your child for this very important week. It is also a great opportunity for you to find out what happens in school during the lead up to the tests and how SATs week is run. We will be talking through general information and then giving more specific details about each of the tests for English and Maths. During the meeting, you will see the types of questions your child will face and this may help you to understand what your child will be tackling in their SATs. Most importantly, we will be providing information on how you can help your child at home.

## SATs Revision Books

We are offering the opportunity to order revision books, which will help you when supporting your child at home.

We really hope to see all there on the evening. When you arrive, please come in through the Year 6 door and the meeting will be held in 6AB, Miss Biddlecombe's classroom. Thank you for your support.
