'It Really Does Matter'

7th July 2022

Dear Parents,

What can we do with the unpredictable British weather? Only a week ago, I sent out correspondence to the Year 6 parents regarding their sports day and the threat of rain and poor weather. Only a week later, I find myself writing another letter because of the forecast for very high temperatures.

Having discussed the situation with our sports coaches, we have decided to go ahead. If we cancel, we will be unable to rearrange them as the rest of the term is packed with activity (and the forecast for the whole of next week is very warm). This is a difficult decision but we really want the children to enjoy their first ever Abbotswood Sports Day. They are usually outside for their OSA/games lessons and cope very well (and sensibly).

Therefore, please can I send a reminder about the following:

- Please send your children to school with a water bottle; they will be able to refill this at school.
- Apply plenty of sun cream before school.
- It may be advisable for your child to wear a hat.

We look forward to seeing many of you tomorrow. Thank you.

P.S. Mr Morgan would like to add that he never had this problem in Scotland!!

Yours sincerely,

Mr Glenn Moore
Headteacher
