1<sup>st</sup> March 2023

## Year 4 DT Day

Dear Parents and Carers,

On Friday 17th March, Year 4 are taking part in our DT day, which allows them to build a torch and add an electrical circuit.

The lights will be made from junk modeling, allowing the children to be creative with their designs. Please can I ask that you begin to collect the following items and send them with your child to school on **17th March**:

- Plastic bottles
- Pringle cans
- Clear plastic
- Large yogurt pots
- Cardboard etc.

I have attached some inspiration below for you to discuss with your child.

Thank you for your continued support,

Mr Luke McCoy  
Year 4 Year Leader
