Year 6 Sports Days

Dear Year 6 Parents,

We are faced with a very difficult decision this morning - it has been raining quite heavily and the forecast is uncertain for the rest of the morning. However, we are also aware that the Year 6 children have not taken part in a 'proper Sports Day' since Year 3.

Having spoken to Mr Morgan, we have decided to go ahead! I am not a weather forecaster so please be sympathetic if the weather deteriorates. I hope you appreciate that we have made this decision because we want the children to have their sports day. Fingers crossed!

Thank you,

Mr Glenn Moore
