Year 6: Bread Making

Dear Parents/Carers,

On Monday 30th January and on Thursday 9th February, Year 6 will participate in two bread making days, linked to our Dragonology topic. This has historically been a day which the children have loved!

On Monday 30th January, all children will make their first dragon bread. We will then evaluate this, make adaptations and create them again on Thursday 9th February.

Your child will be given all ingredients needed - you **do not** need to purchase any ingredients. However, we do need help with additional equipment. It would be incredibly helpful if you could provide your child with a large bowl, to mix the ingredients in. We will ensure that all equipment brought into school will be washed, dried and taken home at the end of the day.

Thank you for your continued support,

Sophie Vigar
Upper School Phase Leader
Abbotswood Junior School
